Finger & Toes

Stay a step ahead of the crowd with the new Airform sandal from Deep See, an Aqua Lung company. This quality diver sandal comes with a supersoft footbed for added comfort and a re-enforced sole complete with vents for added protection and practicality.

The seaboard is the new affordable 2mm boot from Aqua Lung. The super soft 5mm EVA insole and the mesh panels for ventilation offer a great comfort.

Is it a golf glove? Is it a driving glove? No. It's the stylish, new 'tropical' dive glove from Aqua Lung – to try it is to buy it!

Two new designs for the Lycra range

A further expansion of the top quality Aqua Lung rash guard range. Welcome to the new "Green Fury" for men and "Anis Star" for you ladies. This make Aqua Master with the largest range of Lycra, no excuses for not finding the right one.

Don't forget Lycra is 20% spandex and 80% nylon, a recipe Aqua Lung adheres to. All new Aqua Lung Sport rash guards now come with the 'surfers loop' as standard.

Retail price: 1,480 THB

Go beyond your world

Do you want to be a part of Aqua Lung's new and innovative worldwide advertising campaign? Go Beyond Your World is the Aqua Lung initiative aimed at bringing non-divers into the sport. The first time a manufacturer is reaching non diver to share our passion. Contact our sales team to gain a full insight into how you can benefit from Aqua Lung's marketing support and be part of a truly global campaign.

TDEX 2011

Many thanks to all those who met us at this year's TDEX. Particular thanks to all those who commented on how good the Aqua Master stand looked. Yet another successful show has now passed, but watch this space as we are already planning next year's show!

We look forward to seeing you next year the 10-13th of May 2012.
