Zuma Pro Limited edition

We are listening your feedback. In response to market demands we are proud to announce the arrival of the new Aqua Lung Zuma Pro limited edition.

Made for both diving professionals and recreational divers the Zuma Pro offers the legendary resistance to fading and abrasion only Aqua Lung's 500D Amorsheild Cordura offers. It allows serious divers to get the benefits of the Zuma's unique harness system and low profile design. Tough enough for frequent use yet still ideal for travellers at only 2.27Kg.

With only 60 units coming to Thailand don't miss the chance to kiss your baggage fees goodbye!
