Blade Fish Scooter 5000 - Size doesn't matter !

The BladeFish SeaJet underwater scooter 5000 is perfect for scuba diving, snorkeling and swimming. The innovative, compact design of the Blade Fish sea scooter 5000 allows for high power and long run time while only weighing about 10lbs with dimensions of about 15"x15"x6".

The BladeFish can get up to 3.75 mph and has a run time up to 2 hours and a depth rating of 130 ft. Also, because the BladeFish underwater scooter uses state of the art Lithium Ion batteries, a discharged Blade Fish can be charged and ready to go in about 2 hours minimizing any down time. Also, due to the BladeFish 5000's extraordinary portability, carrying it to your favorite dive spot is a breeze and packing it in your luggage has never been easier.

Retail price: 44,900. THB
