## **Brief introduction of Alsafe SCUBA Diving Cylinder**

As the professional manufacturer, Liaoning Alsafe Technology Co., Ltd specialized in the field of Aluminum cylinders for a decade.

We have the License of Manufacture for special equipment issued by state. In the meantime, we carry out the quality management system of GB/T 19001-2016/ISO 9001: 2015

Our Aluminum SCUBA diving cylinders are CE / TUV approved and well received at the world market all the time. We have long term cooperation with many famous companies dealing with diving equipments from Southeast Asia.

Upon demand of customers from abroad, we can make the products to EN Standard or DOT-3AL Standard. Our products can meet the strictest requirements accordingly. Trust quality, Trust Alsafe.
